## Spring Semester 2008

# Final Examination Schedule

## May 5-8, 2008

All final examinations will be given according to this schedule which is announced by the Office of Academic Affairs. The **to be arranged (TBA)** marking indicates that the instructor may schedule an examination time that is mutually convenient to all students enrolled in a specific course. However, all TBA scheduling must occur during the week designated for final examinations (May 5-8, 2008).

The entries in the chart below are the times examinations will be given in classes that hold their first sessions at the hours listed down the left column and on the days shown across the top row. Any student having a conflict in examination times should report to his/her department head in an effort to resolve the issue.
